Information Sheet #174b
May 10, 2001

In 2001 *Liberia* issued a sheet of four stamps for "Working Dogs". The stamps show a Rotweiler, Doberman Pinscher, German Shepherd and a St. Bernard. There is a description on the sheet of each dogs uses. To the bottom left is a blind man with his Labrador Retriever guide dog walking in a park. In addition to German Shepherds being used "guard sheep and work with the police" they are used a great deal as guide dogs for the blind.
