

## **Introduction**

**These information sheets were started, June 1, 1978 by Ken Stuckey as part of a project with the Watertown, MA, USA Lions club of which Ken was a member. When this club closed in 1985 Perkins School for the Blind took up the sponsorship of the sheets. This came to an end when Ken retired, June 30, 1998. The sheets that have the letter “L” before the number were ones issued by the Watertown Lions and “P” by the Perkins School for the Blind. The sheets starting #155, January 26, 1999 are made by Ken and his wife Gunilla. On May 23, 2005 we started to add all the “old” sheets to their database and homepage making minor revisions to the sheets. These sheets will also include some older issues that were issued before 1978 that have no information sheets.**
